ABOUT ME

AI Web Developer with hands-on experience building websites and web tools that use artificial intelligence. I integrate AI features into real projects — from chatbots to content tools to smart automation. I work with WordPress, APIs, and modern web technologies to build things that are fast, useful, and easy to use.

SKILLS

AI Integration: ChatGPT API, Claude API, OpenAI API, Prompt Engineering, AI Chatbots

AI Tools: AI Content Generation, AI Image Tools, Automation with AI, n8n, Make.com

Web Development: WordPress, HTML, CSS, JavaScript, REST APIs

Page Builders: Elementor, Elementor Pro, Gutenberg

Performance: Page Speed, Core Web Vitals, SEO-Friendly Development

Hosting & Tools: cPanel, FTP, Domain Setup, Google Analytics

WORK EXPERIENCE

AI Web Developer | Freelance

2022 – Present

- Built websites and web tools with AI features like chatbots, content generators, and smart search.
- Connected OpenAI and Claude APIs to WordPress and custom web projects for real client use.
- Used prompt engineering to get better, more accurate results from AI models.
- Set up automation workflows using AI tools like n8n and Make.com to save time for clients.
- Delivered AI-powered tools that are simple to use — even for people with no technical background.
- Stayed up to date with new AI tools and used them quickly in real projects.
